Stoddard Partners With Radio One - WYCB 1340 AM

Stoddard is pleased to share its partnership with Radio One, whereas Mr. Steve Nash, President and CEO, is the radio host for the "Stoddard Lives: Stoddard Live!" Broadcast every Tuesday at 10:00 - 11:00 a.m. on WYCB 1340 AM. Stoddard Baptist Home, Inc. has a legacy of caring for the aging population in the District of Columbia since 1902 and operates Stoddard Baptist Nursing Home, a 164-bed nursing facility. Additionally, under Stoddard's management is Stoddard Baptist Global Care, a 259-bed facility. Stoddard is also in the development stages of Presidential Estates at Sycamore Hill, an assisted living facility in Mitchellville, Maryland.

The program discussions vary, but are focused on healthcare issues and areas of service provided at Stoddard's entities of care. Featured radio guests have included Stoddard's board members, staff, business associates and contracted partners that support our mission to "Form and Sustain Safe, Viable and Caring Communities for Those in Need".

We invite all to listen in via live radio or live stream web link: <https://myspiritdc.com/listen-live/> or [Facebooklive@stevienash](https://www.facebook.com/stevienash) and also share with others.
