Board's Corner

St. Luke Baptist Church Anniversary

On **Saturday, March 23, 2019**, members of St. Luke Baptist Church celebrated 140 years of church ministry and 45 years of pastoral ministry for Pastor Aubrey C. Lewis, Secretary, Board of Directors, Presidential Care. The celebrative occasion was held at the La Fontaine Bleue in New Carrollton, Maryland and attended by board members and staff, along with church members, family and friends.

St. Luke Baptist Church was organized at Fort Totten, District of Columbia on March 23, 1879. Rev. Aubrey C. Lewis was called to serve as the fourth pastor beginning on January 1, 1974. The rich history of St. Luke continued its development during his pastorate. The church family worked hard and made many sacrifices. Within two years, they were able to purchase their fifth and present location at 1415 and 1419 Gallatin Street, N.W.

St. Luke Baptist Church has made a positive impact on the lives of many people who have passed through the Brightwood Community of Washington, D.C. Pastor and First Lady Lewis, along with church members, family and friends, are grateful and give honor to God for St. Luke's 140 years of history.

Marigold Employee Spotlight

Ms. Carol Fillmore, a native Washingtonian, attended D.C. Public Schools and graduated from Dunbar High School. She was blessed with one daughter and is the proud grandmother of two grandchildren and one great grandson. She loves to travel and also enjoys hand dancing, music and is quite the fashion statement. Ms. Fillmore attends the Mt. Sinai Baptist Church where she regularly displays her talents by decorating the church and the dining hall for special events.

Ms. Fillmore began her career at the Marigold as a part-time senior receptionist in August 2014. Very soon afterwards, she was promoted as a full-time employee. Her many talents were unveiled shortly thereafter and she is known as the “Jack of all Trades”. On a regular basis, Ms. Fillmore is involved in making arts and crafts for and with the residents. She is also known to assist with activities offered at the facility. She often goes above and beyond the call of duty by researching free events offered within the community and accompanies residents to those activities. In addition, Ms. Fillmore provides personal grooming services to the female residents.

As well as interacting with the residents, Ms. Fillmore often willingly volunteers to offer service over her regular scheduled shift. She readily accepts special assignments given to her and volunteers to assist her colleagues in order to maintain and ensure the day-to-day continuity of care for the residents.

Ms. Filmore is highly respected by her peers, residents and families alike. She is highly valued by Ms. Sharon Brooks, Administrator, who appreciates her for her commitment in making The Marigold the best Assisted Living Facility in the Washington D.C. area.
