St. Joseph Catholic Church Celebrates Stoddard

On Sunday, April 28, 2019, Stoddard employees gathered at St. Joseph Catholic Church in Upper Marlboro, Maryland to celebrate Stoddard Baptist Global Care’s 5-star rating by CMS and Stoddard Baptist Nursing Home’s 5-star status for six consecutive years. Mass was celebrated by Bishop Edward Campbell and assisted by Deacon Steven A. Nash, President and CEO, SBHF.

The **Centers for Medicare and Medicaid Services (CMS)** routinely reports quality ratings for each nursing home that participates in Medicare or Medicaid. The ratings take the form of several “Star” ratings for each nursing home, with the primary intent of providing residents and their families with an easy way to understand assessment of nursing home quality, as well as making meaningful distinctions between high and low performing nursing homes. The rating system features an Overall Quality Rating of one to five stars based on the nursing home’s performance on 3 domains: Health inspections, Staffing and Quality Measures.
