STODDARD LIVES

Quarterly Edition - April 2021

STODDARD'S MISSION:

“To form and sustain safe, viable and caring communities for those in need”.

Distribution of COVID-19 Vaccinations

Stoddard Baptist Global Care (SBGC), along with Stoddard Baptist Nursing Home, has implemented the necessary procedures for distributing the COVID-19 Vaccination to residents, staff, as well as board members, per their request. SBGC began the distribution of the vaccination on February 2, 2021 as a partner with Walgreens to deliver and assist with vaccinating residents and staff.

For residents, consent for the COVID-19 Vaccine was obtained from residents that can make their own decisions, as well as from their responsible parties. These residents got the first dose of Moderna on February 2, 2021 and 2nd dose on March 2, 2021. Walgreens staff came once again on April 7, 2021 to give the second dose of Moderna to those that received their first dose on March 2nd.

For staff, department heads obtained consent from several employees that were interested in the vaccine, prior to Walgreens initial visit, to ensure that there were enough vaccines for everyone. Employees signed consent forms, received the vaccine and were provided 15 minutes of monitoring time to ensure that there were no adverse effects.

Exemptions for the vaccination included residents and staff that were in quarantine, had received ANY vaccines within 30 days prior to the vaccination date and had allergies to the vaccine. Along with the vaccinations, Stoddard's facilities continue to adhere to the required safety measures of wearing face masks and maintaining the proper social distancing.

Stoddard Baptist Global Care staff received the COVID-19 Vaccination.

Stoddard Celebrates Black History Month

During the month of February, Stoddard’s staff and residents celebrated “**Black History Month**” in recognition and appreciation of the contributions and achievements of African Americans.

Staff and residents of Stoddard Baptist Global Care proudly represent our African heritage.

Stoddard recognized the contributions of Rev. William H. Jernagin. Since 1902, Stoddard has always been led by men and women of vision who have constantly increased the effort to serve the wider community. During the years on Bryant Street, the Stoddard Baptist Nursing Home experienced steady growth and a widening mission of service to the community. For many years during this period, the Board of Trustees was led by Rev. Jernagin, a Pastor of Mount Carmel Baptist Church and an unflinching spokesman for civil rights.

Stoddard Celebrates Women’s History Month

During the month of March, with the leadership of Ms. Keisha Clark, Director of Development, Stoddard recognized “**Women’s History Month**” as an opportunity to honor women for their contributions to history, culture and society throughout the years. The 2021 theme was a continuation of 2020's: "Valiant Women of the Vote: Refusing to Be Silenced." This theme recognizes the battle for women's suffrage, which was gained with the passage of the 19th amendment in 1920.

Stoddard’s board members, staff and residents also celebrated the installation of the Honorable Kamala Harris as our first Woman Vice President of the United States of America!
