STODDARD LIVES

Quarterly Edition - April 2022

STODDARD'S MISSION:

“To form and sustain safe, viable and caring communities for those in need”.

Stoddard's COVID-19 Vaccination Grant

LeadingAge is one of three national nonprofits that are partnering with Community Catalyst's Vaccine Equity and Access Program (VEAP) to distribute \$10,000 grants to provider members that will implement vaccine confidence-building and access strategies. Stoddard Baptist Nursing Home is one of the recipients of this grant and has a "Victory through Vaccinations" Program that combines vaccine and booster clinics, distribution of masks and community outreach to educate people on the value of COVID-19 vaccinations. The Centers for Disease Control and Prevention (CDC) grant has helped cover the costs of all three.

LeadingAge has also leveraged the AD Council's "It's Up to You" campaign to develop CARE FULLY, a COVID vaccine education and toolkits campaign especially for Black and Hispanic direct care professionals. These materials are available free to LeadingAge members and help to educate direct care workers on COVID-19 vaccinations so they can make more informed decisions for themselves and to inspire action now.

Mr. Steven Nash, President and CEO, hosts a weekly radio show, "Stoddard Lives," on a local station, WYCB (1340 AM). The show, which began a couple of years before the pandemic, appears each Tuesday, offering health or civic affairs information for an older adult audience. It includes interviews with experts and time for listeners to call in with questions.

"Dr. Rosalind Wright, our Executive Director of Clinical Services Operations and Support, will often appear to offer updates on COVID-19 and the effectiveness of vaccines, and to dispel myths about the vaccines," Mr. Nash says. The show also covers other health topics, such as: dementia, cancer and more; often with more than one episode devoted to each major health topic.

Stoddard Baptist Nursing Home's mask distribution program involves visits to local churches to encourage vaccination. Attendees each receive KN95 and N95 masks, five at a time, in special pouches printed with the Victory through Vaccinations logo, along with web addresses for the CDC and Stoddard. Water bottles printed with the same information are also given out.

For the majority of LeadingAge grantees, the money is used for incentives for people to get information, make decisions, and choose to get vaccinated and boosters, as well as flu shots.

Stoddard Honors MBMC's New 55th President

Stoddard’s Board and staff members extend congratulations to **Rev. H. Lionel Edmonds** as the newly elected 55th President of the Missionary Baptist Ministers’ Conference of Washington, D.C. and Vicinity (MBMC). Rev. Edmonds has served as the Pastor of Mount Lebanon Baptist Church, Washington, D.C. since 1992. He is the founder of the House of Lebanon, a \$30 million dollar ministry facility that concentrates on spiritual development, affordable housing, healthcare, workforce development, educational and entrepreneurial advancement. In 1996, he co-founded the Washington Inter-Faith Network (WIN), which consists of over 45 congregations and non-profits in the Washington, D.C. region. Pastor Edmonds is also a leader in the Metro Industrial Area’s Foundation consisting of five organizations in Washington, D.C., Maryland and Virginia, which is made up of over 200 congregations and non-profits that unite together for social justice.

Rev. H. Lionel Edmonds

Founded in 1885, the Missionary Baptist Ministers’ Conference of Washington, D.C. and Vicinity was organized to secure peace and prosperity for all local churches, to safeguard the welfare and harmony of its members and to promote Christian education and missionary causes. MBMC consists of a local body of Christian pastors and ministers who have made notable contributions and are affiliated with several national conventions. Rev. Edmonds is honored as he furthers the mission of this great organization, which has a positive impact within the community.

The Stoddard Family appreciates the organization’s support throughout the years in conjunction with Stoddard’s mission to deliver quality and compassionate healthcare services to those entrusted to Stoddard’s care. The MBMC members’ participation and efforts to host the “Annual Stoddard Baptist Home Day” each year are invaluable as Stoddard moves forward in continuing its mission: *“to form and sustain safe, viable and caring communities for those in need”.*

Board Corner

Stoddard’s Board Members and Staff attended a **Virtual Surprise 85th Birthday Celebration** on Saturday, February 5, 2022 for Mrs. Muriel Wade, Advisory Committee Member, Stoddard Baptist Home Foundation. Mrs. Wade has also served for many years as a member of the Stoddard Baptist Nursing Home and Presidential Care, LLC Board of Directors. Mrs. Wade extends appreciation to all who celebrated her 85 years of blessings and service to the Stoddard Family.

With Sincere Thanks ...

Thank you for being a blessing in my life!

I am grateful to God for providing 85 years of blessings to me. One of my many blessings is supportive friends and extended family.

Thank you for helping me celebrate my 85th birthday. Special thanks to everyone who joined my celebration via Zoom. Your verbal expressions were heartfelt and greatly appreciated. If you were not available to join the celebration via Zoom I appreciate you thinking of me and saying a special prayer on my behalf.

The many birthday gifts (beautiful flowers, balloons, cards with heartfelt messages, outfits, gift cards, books, reading materials, generous monetary blessings and etc.) warmed my heart and reminded me that I am surrounded by many wonderful people.

Thank you for the significant impact you continue to make in my life. Your love, prayers and support mean more than words can express. You have my unending gratitude.

Love and appreciation,
Muriel Wade

Ceca Foundation
Caregiver of the Year Award

Stoddard is very excited to announce that Mr. Don Okusaga, Licensed Practical Nurse, Stoddard Baptist Nursing Home, was one of three recipients of the Ceca Caregiver of the Year Awards! The three individuals were selected for their willingness to go far above and beyond their regular job duties, to be patient advocates, to become close friends with residents, to provide exceptional support to their teammates and so much more.

Mr. Okusaga was honored for all the special acts he performs for residents everyday; from getting snacks after hours, to serving food, to encouraging reluctant residents to go to bed on time. Call lights seem to turn on after Mr. Okusaga has clocked out for the day, but he does not hesitate to respond and does all of it with a smile. He has a great sense of humor and even sings and dances for the residents when participating in fashion and talent shows. He says yes to pretty much everything... as long as “it’s for the residents!”

Mr. Steve Nash, President and CEO (left) and Mr. Dennis Olaniyi, Administrator, Stoddard Baptist Global Care, (right) celebrated their February birthdays with Mrs. Remy Johnson, Administrator, Stoddard Baptist Nursing Home, (center) along with other staff members at the Presidential Estates, Lanham, Maryland Office.

The Stoddard Baptist Global Care Staff celebrated the retirement of Mr. Percy Bell after 26 years of service as Transportation Aide and former Center Care Aide.
