### Stoddard Celebrates “National Nurses Week”

Stoddard Baptist Nursing Home and Stoddard Baptist Global Care celebrated “**National Nurses Week**” during **May 6-12, 2025**. This year’s theme, “The Power of Nurses”, emphasizes the strength, impact and leadership of nurses in healthcare. It highlights the vital role that nurses play in patient care, healthcare innovation and the well-being of communities. This theme acknowledges the daily contributions of nurses and their ability to drive positive change in the healthcare landscape. It also recognizes the challenges that nurses face and encourages celebrating their resilience and dedication. Stoddard greatly appreciates the invaluable contributions of nurses as they provide continual quality care to the residents and support to their family members.
